# Maria Garcia

(917) 555-0102 | maria.garcia.dev@email.com | linkedin.com/in/mariagarciadev | github.com/mariag-dev

## EDUCATION

**Pratt Institute**

*Bachelor of Fine Arts (BFA) in Digital Arts* *May 2024*

## EXPERIENCE

**Design Intern** June 2023 – Aug 2023

*Creative Solutions Inc.*

- Contributed to a mobile app redesign project for a major e-commerce client.
- Assisted senior designers in creating wireframes and high-fidelity mockups using Figma.
- Conducted user research sessions and synthesized feedback to inform design iterations.
- Developed a component library to ensure design consistency across the app.

## PROJECTS

**Connect** | *Adobe XD*

- Led a team of three in a capstone project to design 'Connect,' a social networking app for local artists.
- The project involved the full design lifecycle, from initial concept and user personas to a clickable prototype built in Adobe XD.
- Presented the final project to a panel of faculty and industry professionals.
